

Doddridge County Schools

“Now is the Time: United to Make a Difference”

Core Beliefs

- ❖ Setting high expectations for all school stakeholders by creating a positive and cohesive culture that is conducive to student achievement/growth.
- ❖ Striving to provide opportunities for collaboration in order for all school stakeholders to take ownership of student learning, as well as share ideas, strategies, and to better serve students.
- ❖ Providing rigorous, relevant, and relational curriculum in standards-based and student-centered classrooms.
- ❖ Creating opportunities for the student to feel positively supported and safe in all aspects of their lives.
- ❖ Nourishing continuous educator growth and input into the decision-making process that are essential in creating a student-focused culture.
- ❖ Managing people, resources, policy, procedures, and programming in order to effectively and efficiently ensure as much student growth as possible.
- ❖ Promoting continuous student learning and growth through collaboration and communication.
