April 11, 2019

Dear Parents and Guardians of Doddridge County School Students:

The West Virginia State Department of Education has reviewed our school calendar and has approved the following change for this school year (the 2018-2019 school year):

Students will need to attend school on May 28, 2019. This will be the last day of school for students. During the school year we lost six (6) days of school due to inclement weather and one (1) day due to the work stoppage.

We appreciate our community's support of the schools and the attendance of your child at school. No other changes to the school calendar are needed (but if we have more inclement weather and need to close, we might have to make further adjustments.)

Please remember that there will be no school for students next week, April 15 through 19 and Monday, April 22nd. School will resume after Spring Break on Tuesday, April 23.

Thank you and enjoy the break.

Sincerely,

Adam Cheeseman
