During the 2020-20201 school year, Doddridge County Schools will work closely with the Governor’s Office and the WVDE to follow all guidelines set forth by these two entities, including, but not limited to closing schools in our district if necessary. Additionally, working in collaboration with the Doddridge County Health Department, Doddridge County Schools may close classrooms, grade levels, or schools as appropriate, when directed.

**Throughout this process, Doddridge County Schools will monitor the effectiveness of the protocols and process developed and implemented. These plans are subject to revisions as warranted.**
