

Military-Connect Children

Federal education law requires that schools identify students who have an immediate family member serving on active duty in any branch of the Armed Forces of the United States. This form asks you to provide information related to this requirement if you or another member of your student's immediate family serves in the U.S. military. The requested information includes items related to the service of members of the Reserve Component of the military (Air Force, Army, Marine, and Navy Reserve; Army and Air National Guard), given that Reservists may be called to active duty at any time. Please notify the school if a service member's status changes at any point during a school year.
